

APOLLO CAREER CENTER

Apollo Career Center is located in Lima, Ohio and has 13 feeder schools. Our HOSA chapter has 76 members and 3 advisors. Thirty two of our senior students are currently taking their STNA training and working in three different clinical sites. Our HOSA chapter has just completed our annual fund drive selling Yankee candles. We made over seven thousand dollars and profited around three thousand. Students are beginning their preparations for the State Competitions. We usually have between 20 to 30 students go to State.

Overall, we are very excited about the upcoming year for our HOSA chapter. We believe we can make it to Nationals again this year!
