

ALLI

Hello all, my name is Alli Phillips and I am your Ohio HOSA Secretary. HOSA means a lot to me; whether it's for the opportunities and memories it gives me or the opportunities and memories I can give you. This is why I ran for office. I want to move Ohio HOSA forward in leaps that have not been done in past years. But I need your help to do so! I attend Tolles Career and Technical Center in Plain City and Dublin Jerome High School in Dublin. I am in the Nursing program at Tolles, and plan on going to Columbus State and later transferring to Ohio State University. I want to get my Bachelors in Nursing and become an RN. The specialties I really enjoy and want to go into are cardiology, pediatrics, and possibly surgical nursing. I enjoy doing color guard with the marching band, cheerleading, and tae-kwon-do. I was given the opportunity to go to California this year because I was elected a state officer. I really enjoyed my time there. I met a vast number of great people and learned a multitude of leadership and health related techniques to bring back to Ohio with me. I am very excited to work with you all this year and help move Ohio HOSA forward and grow. Good luck with your school year!
