

Hey Ohio HOSA! This is the president of Ohio Hi-Point's Marysville Satellite local HOSA chapter. We have been off to a very busy start this year! On August 14th our chapter held a car wash and we are planning on having a Christmas wreath sale this fall to help our local funds grow and get more members involved. I am proud to say we have 32 new members this year, which is an outstanding growth for our chapter! We are having officer elections for treasurer, parliamentarian, reporter, and historian; we are all excited for new members to be officers and have a role in HOSA. Our chapter is proud to say we have two state officers that will be helping present a presentation to our sponsor Ball Corp. about how our local chapter is doing. As a new chapter we are excited about this new year and what we can do for Ohio HOSA!

There is a brief overview of our local chapters doings and also Mrs Andrews wanted me to let you know our local officers we have elected so far; president - Colleen Earl, vice president - Courtney Skaggs, and secretary - Macy Henault.

Thank you for your time,
Colleen Earl
