

PARKING

Buses or school vans:

The circle in front of the school is to be used to drop off students at Door #1 and pick up after awards ceremony. Buses will then be directed to park down in front of the stadium by the tennis courts.

Cars dropping off students:

Cars may pull into the circle at the main entrance to drop students but they cannot remain in the circle. Please be mindful of the traffic. GO SLOW!

Cars picking up students need to go the parking lot and students can walk down to the stadium end of the building. Please stay out of the circle as the buses need to negotiate through there and the excess traffic can make things dangerous for our students.

Students driving:

Student parking will be located in the parking by the stadium. It is a short walk so dress appropriately for the weather. Use care in parking and in walking across the lot. Enter at DOOR #1 (front/main door of High School) located under the Perry High School sign.

NOTE: If you enter at the doors closest to the parking, you will be watching basketball all day instead of competing in your event!
