

Region 1 Details

We need judges, desperately!! Usually UT supplies us with many judges and proctors. This year due to staff cuts, reorganization of titles, etc. UT does not have the availability as they have in the past to volunteer to help us. So that means we need your **committed** help with finding judges and judging. The main caveat, no one from your school can judge a competition your students are participating in. So please email me ASAP with judges names and contact info.

We are running the same basic schedule as last year. Registration, "home base", and awards ceremony will all be in the Student Union at University of Toledo. Competitions will take place between the Student Union and the Health Science building. These are the same two buildings we have used each year for regionals.

8:00am-9:00am Registration at the Student Union outside the auditorium

9:00am-9:15 Opening Ceremony

9:30-4:00 Competitions

5:00 Awards Ceremony

As time gets closer I will let you know where busses should park. I would assume it will be the same as previous years. If anyone plans on driving to the event and parking I strongly suggest you purchase a UT parking pass for the day. These can be purchased on the UT web site.

Food- there are many place to eat on the UT campus-Pizza Hut, Steak and Shake, Chick fil-a, Starbucks etc.

REMEMBER WE NEED JUDGES AND PROCTORS!!

Thank you!

Katie Blair and Jill Heintz
