

January 9, 2020

HOSA Region 4 (Midwest) Advisors:

We are excited about the HOSA Region 4 (Midwest) Competitive Events. We are working to make this a positive and professional experience for students.

When: Tuesday February 18, 2020

Where: Sinclair Community College Dayton, Ohio

Parking: Cars - Park in student parking garage - Lot A

Buses can park in Lot M at Building 20

<https://www.sinclair.edu/about/visit/parking/>

Schedule:

8:30 - 9:15 AM Registration - Building 12 Great Hall - Registration desk - Check in & Pick up materials

9:15 - 9:20 AM Welcome and Announcements - Building 12 Great Hall

9:30 AM Competitive Events Begin - see schedule for locations

4:00 - 4:45 PM Award Ceremony - Building 12 Great Hall

Special Note: To better manage time, there may be a few events in which the skills round may occur prior to the written test round. Check the detailed schedule carefully.

Lunch: Each student and advisor will receive a \$7 meal ticket for the Sinclair Tartan Marketplace in building 7. Students may want to bring extra money if purchases go beyond the \$7. There will be four lunch shifts 11-11:45, 11:45-12:30, 12:15-1:00, and 1:00-1:45. There will be a specific lunch schedule based on competitive events. It is very important to follow the schedule to enable each student an opportunity to eat and to respect the Sinclair students and lunch staff. Students may bring individual snack items to keep with them, but we are NOT permitted to bring in bulk/group food items due to the contract with Sinclair.

Starbucks: Located in the Library. It is important that students are respectful of those in the library to study in a quiet atmosphere.

Downtime: Students should bring things to do to occupy their time while waiting before and after the events. Sinclair will be in session and it is important that we do not disturb the learning environment.

Integrity: Please remind your students that they may NOT share with ANYONE which skills or scenarios are being used in any competitive events. *Sharing information may result in disqualification.*

Assistance Needed: We need teachers to proctor tests 9:30-10:30 and/or 11-12:30. If you can assist with either or both testing sessions, please e-mail one of us listed below.

Weather: If there are any changes due to weather communication will be sent via email. If your school is experiencing conditions that affect your attendance, please call Jim Scott or one of the people below.

If you have any questions or will volunteer to help proctor tests, please contact:

- Lead Captain, Malia Pryor (937) 545-8506 malia.pryor@ketteringschools.org
- Assistant Captain, Paula Wathen (937) 304-1419 pwathen@mvctc.com
